The Vision for a Nourished South Africa

NUTRITIONAL - CONVENIENT - TASTY - AFFORDABLE

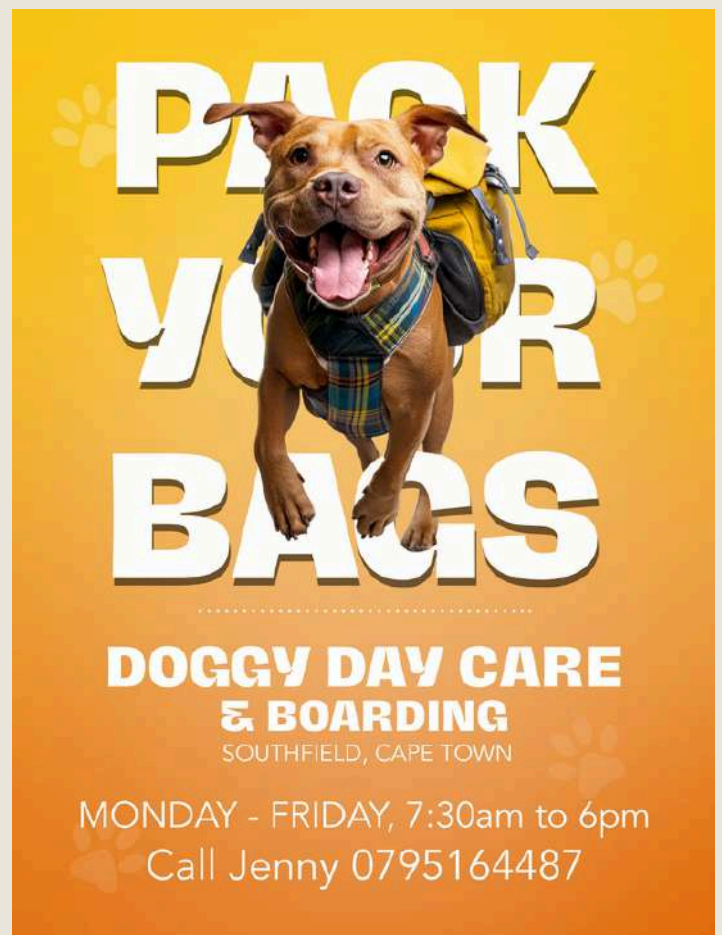

We can feed 4 adults with a nutritional, tasty meal for R45.
There is an opportunity for Entrepreneurs to get involved.

In the face of escalating poverty and hunger in South Africa, one innovative solution is making waves - the Food Sock. Born out of the vision of Carl van Blerk, a George local who saw the growing need for an affordable, convenient, and nutritional meal solution, Food Sock is more than just a meal—it's a revolution in addressing food scarcity and malnutrition.

The advertisement features a large white dome security camera in the upper center. To its left is the SRU Security logo, which includes a stylized eagle head and the text 'S.R.U SECURITY'. Below the camera, a red banner contains the words 'SECURITY SERVICE' in large, bold, white and red letters.
