Clean-up and maintenance has never been easier. It is the perfect flooring choice for homes with children and pets.

It has durability for high-traffic areas and an ultra-comfortable feel

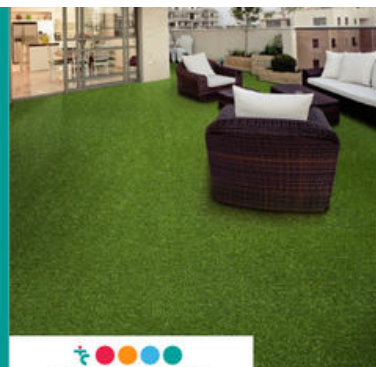

ABOUT ARTIFICIAL GRASS

The popular, synthetic grass-like fibre, alternative for your back garden or lawn entertainment area. Presenting a year-round green lawn that you do not need to mow. An affordable, low-maintenance and pet-friendly grass substitute that reduces your water consumption and time.

Suitable for
all windows

Easy to clean

Shutters are the latest trend amongst interior
decorators and architects alike.
They are perfect for the South African climate.
Exquisitely finished, interior shutters protect against
the wind and cold and against the sun and heat in
summer.

Suited to any
space, from the
lounge to the
bedroom, shutters
are elegant and
luxurious and
provide just the
right amount of
light or darkness
when needed.
