Plumstead Bicycle Patrolters

The Plumstead bicycle patrolters were founded over 10 years ago, and their aim is to be the ears and eyes on the ground ensuring community safety, which is their number one priority.

The patrolters are made up of 7 members, who work from 06:00-18:00. They work closely with the reaction and TRF teams on the ground. All patrolters carry Hytera radios which allow them to communicate with the reaction teams, alerting them of activity in the area.

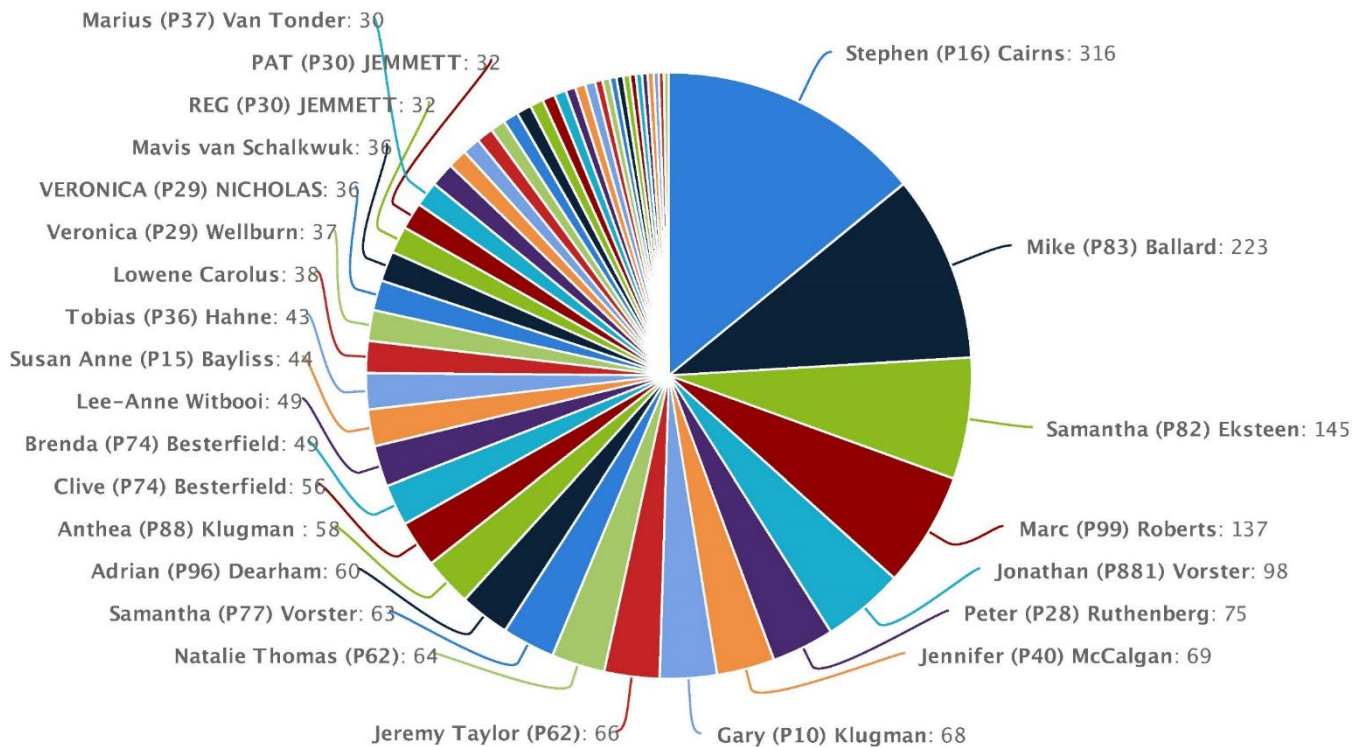

The patrolter can be seen during the early hours of the morning, escorting employees to their jobs be it at residences, businesses, the old age homes, and the hospital in the area. They also stand down at the 2 schools ensuring children safety.

The patrolters have done remarkable work to combat crime in the area, by ensuring visibility at known hot spots, subways, and crossings in the area. We are proud of the work done and are passionate to grow Plumstead into a crime free zone.

A big thank you to our Patrollers for your dedication to keeping our Hood Safe.

Crafters' Clubhouse is a community initiative based in Plumstead to facilitate networking and meetups amongst local arts and crafts enthusiasts.

Launch of Crafters Clubhouse in Plumstead

The crafters had a delightful morning on the 5th of April of connection and creativity. The potluck turned out like potlucks often do ... A wonderful exchange of ideas and networking and lots of laughs about our crafting addictions. Some brand-new crafters and some crafter stalwarts. Here's to many more meetups.

For more exciting events and to join please visit [Crafters Clubhouse Facebook Page](#)

19th April 2022. A most wonderful morning in our clubhouse with Candle Makeover. Stunning creations and beautiful gifts created for friends and family. Serviette swapping was great fun with this group of resourceful crafters. Thanks everyone for joining the event. Practice is key and I look forward to seeing your new designs. I thoroughly enjoyed teaching this relaxing technique. Thanks to [Corp Cafe Southfield](#) for hosting Crafters' Clubhouse.

PNW Response Team

The **PNW Response Team** is comprised of local volunteers that are well experienced, trained and resourced by PNW. The team uses their own time and fuel to respond to various emergency situations in our area.

Our team responds to everything from active crime complaints such as house breakings in progress to motor vehicle and motor bike accidents and various medical and trauma emergencies.

The team conducts regular training to ensure that our responders assist according to local standards and norms.

Response Team Activation:

09 April 2022

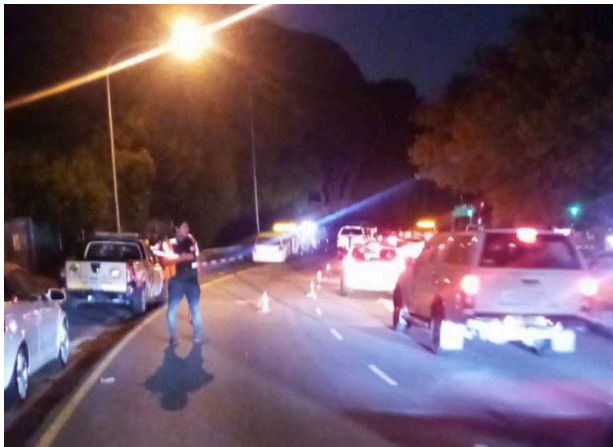

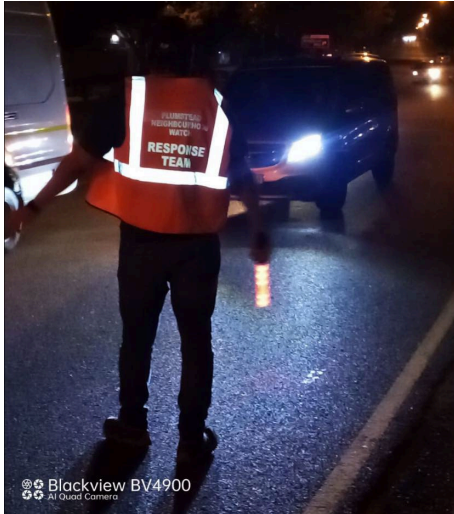

While on patrol in the late evening, PNW Patrollers and response team members were alerted to an assault that had taken place on Gabriel Road near the circle.

Arriving on the scene, PNW members along with local Law Enforcement officers found one male patient who had suffered from multiple traumatic injuries.

The patient was stabilized while CVIC organized Emergency Medical Services. A SA Paramedic ambulance arrived on scene and transported the patient to hospital in a stable condition.

How can you help?

Busy Easter Saturday for the PNW Response Team and patrollers.

16 April 2022

On Easter Saturday PNW patrollers and response team members were in full support of local law enforcement officers and Diep River SAPS. Members were on duty and patrolling throughout the day, with response team members on patrol and supporting our blue lights the full 12+ hour shift.

Our members assisted at multiple motor vehicles accidents throughout the evening. Thankfully no one was seriously injured. Our members further assisted SAPS and Law Enforcement with crime prevention duties and operations throughout the day.

Did you know?

All patrollers and responders use their own vehicles, at their own cost and use equipment supplied by PNW and/or our sponsors.

CAN YOU HELP THE RESPONSE TEAM WITH EQUIPMENT DONATIONS?

PNW funds and equips the response team, we are always in need of consumable items to assist our members in their live saving role, this equipment list includes:

- Examination gloves
- Bandages and other medical supplies
- Fire Extinguishers
- Old Blankets
- Barrier Tape
- Spray paint

Please contact us if you can assist.

Re-beautifying the Gabriel Road Precinct in Plumstead, Cape Town

Gabriel Road Area Project Association (also known by residents as GRAPA) is a registered NPO with registration number 2020/891518/08 formed in August 2020. A group of like-minded business owners and residents with properties on the top end of Gabriel Road and surrounds formed the Residents Association to work alongside the City of Cape Town, Plumstead Neighbourhood Watch and various security companies and organisations serving the area to improve the overall security and to beautify its open spaces. The NPO currently has a membership representing 130 households. The Association oversees a number of community clean-ups and projects to beautify the area. This includes painting previously grubby looking walls that back onto common areas, the establishment of pavement gardens, planting over 50 trees, litter cleaning and field greening. One of the larger projects is the leasing of open land (Bardia Road behind the Shell Garage) from the City of Cape Town to establish a Community Food Garden Project in partnership with the City of Cape Town. The plan is to fence off the land and establish a fruit and vegetable garden that will benefit the community. We also envision beautifying the space to include benches for residents to enjoy the view and to feed the birds in a safe environment. Opportunities will be created for residents to work at the Community Food Garden in exchange for remuneration and fresh produce boxes. You are invited to join the Gabriel Road Area Project Association as a member if you live in the area, volunteer to contribute towards the Food Garden Project or work with the planning team. The next community clean-up takes place on 14 May 2022 at 10am. To make a donation please email info@grapa.org.za or use the following bank account: **Gabriel Road Area Project Association, Mercantile Bank current account number 1050864778, Branch Code 450109.** Please use your name as a reference.

Keep an eye out for our lucky draw in May 2022. There are some incredible prizes up for grabs donated by the wonderful businesses in the area to support the establishment of the Community Food Garden Project. Your ongoing support is much appreciated.
