CREEPER the criminal wants to use your bin.

Winter Watch

Cape Town winters are known for being cold, rainy and windy. Residents, understandably spend more time indoors during these conditions. The rain and wind can mask sounds that otherwise could easily stir suspicion.

Criminals use these opportunities and usually become more active during this time of the year.

This winter, try to spend some time standing at your gate or in your driveway to watch for suspicious activity in your street, or take an extra drive around the area whenever you leave or return home and **report anything suspicious on our Residents alert WhatsApp Group and to CVIC (0860 002 669)**

CREEPER the criminal says:

Theft out of motor vehicles

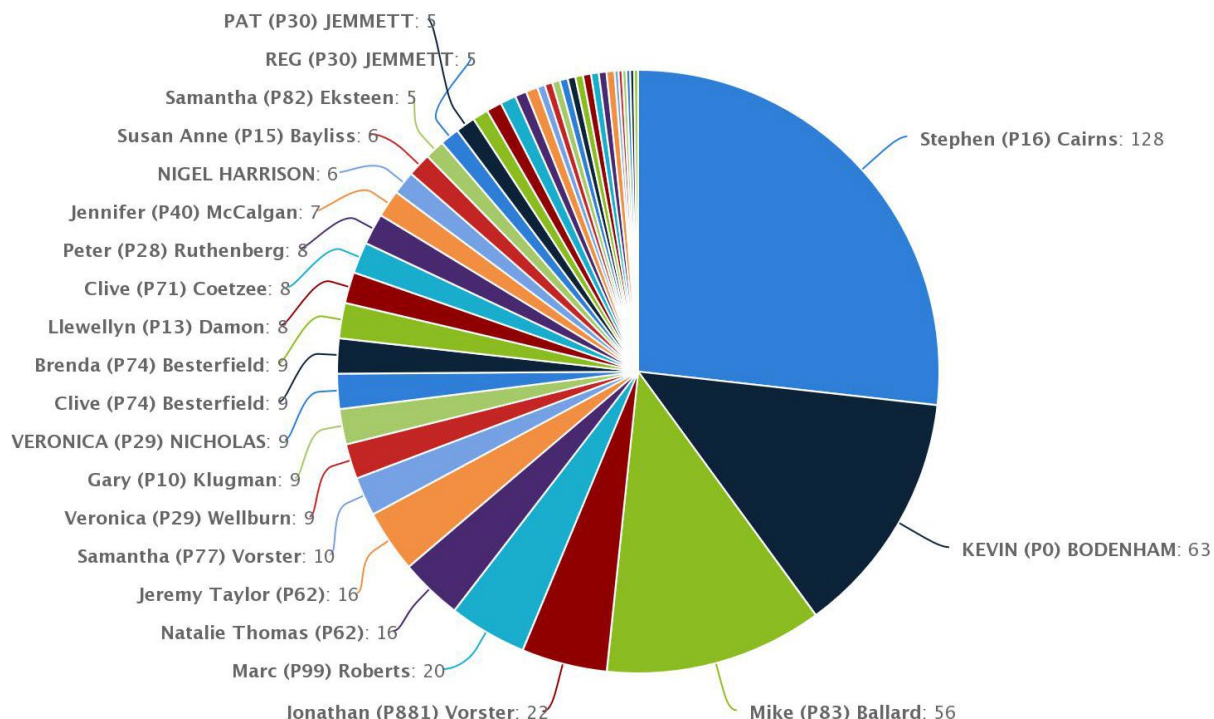

Theft out of motor vehicles has always been an opportunistic crime that has been known to happen in Plumstead on a regular basis.

We are experiencing a spike in theft out of motor vehicles in our area.

Please do not leave any valuables, or anything visible in your vehicle.

Remind your guests.

A big thank you to our Patrollers for your dedication to keeping our Hood Safe.
